Note: your comments will be listed on our website as documented feedback on our delivery of goods and services for persons with disabilities. Also note that we post yearly a request from Burpee and Mills residents as to any suggestions they may have to improve our delivery of goods and services for the disabled in our municipal newsletter (newsletter available by email upon request and is posted on our municipal website).

The Best Practices and Procedures Feedback Form is posted on our website and may be completed and submitted electronically for your convenience.

The Best Practices and Procedures - Feedback Form is also available in large print format if requested.
