Notes from council the next regular council meeting is September 4th at 7:00pm.

Burpee and Mills Cemetery Board The Board of Trustees express sincere appreciation to the cemetery custodians for their attention to detail and quality care of the cemetery burial sites.

Owners of these sites can also assist. Some of the plots have become extremely difficult to mow and maintain due to numerous items such as solar lights, plants and other mementoes placed near the burial sites. Staff are now required to remove and replace these items to do proper maintenance to the cemetery grounds. We encourage families to visit the burial sites of their loved ones and tidy up some of these symbols of your loss.

Please help us keep the cemetery grounds a welcoming pleasant retreat to spend time with memories of those who meant so much to you.

The Gym continues to operate during regular business hours from Monday to Thursday. It is no longer open in the evenings due to a lack of participation.

The Waste Transfer Station is open on Tuesday afternoon 2:00pm-3:00pm, Thursday night 7:00pm – 8:00pm, as well as Saturday from 10:30am – 12:00pm.

Fire Safety Fire permits are required for all burning but at no time is burning grass allowed.

Gas grills contribute to a higher number of home fires than charcoal. Failure to clean the grill is the number one contributing factor. Keep grease traps clean. Not only is this fire safe but keeps unwanted critters away as well.
