The Waste Transfer Station is open Thursday night 7:00pm – 8:00pm, as well as Saturday from 10:30am – 12:00pm. The transfer station will be **closed on Thursday December 19<sup>th</sup> as well as Boxing Day**. Apologies for any inconvenience this may cause.

Fire Safety Avoid using real candles in your decorating and go flameless this season. If you do use them, keep them at least 12 inches away from anything that can burn. Water fresh trees daily. Dry trees are more likely to catch on fire. Get rid of the tree after the holidays or once it is dry. Use extension cords safely in your decorating. if they are worn, damaged, or broken, replace them. Don't overload your outlets and power bars.
